Workstation with Sliding Desktop

No escritório, muitas vezes temos que lidar com múltiplos cabos, assim como pequenos locais de trabalho. Escolha a estação de trabalho AREIA com uma área de empurrar/puxar. O tabuleiro de cabos, o acesso à unidade de energia e o manuseamento dos cabos serão muito mais convenientes, sendo estas mesas baseadas num princípio muito simples: para acessar a bandeja de cabos, puxe a mesa em direção a você; Se quiser esconder os cabos, simplesmente basta empurrar a área de trabalho ligeiramente.
